Planning Commission faced with decision

Firemen extinguished the blaze that burned the old storage barn on Route 83 at the State Line to the ground on Sunday night. (A special thanks to Dietrich Kiemele who took the photo and was kind enough to bring it over to us). See story on page 5.

Santino renews annexation request

The developer of the Antioch Country Club Planned Development, Mr. Thomas Santino, gave a special presentation to the Village Board, the Planning Commission and the Zoning Board of Appeals, at a meeting held on June 11 in the Village Hall.

Mr. Santino requested that the meeting be made possible in order to acquaint the new members on all of the Boards with the project. This property is currently being reviewed for the possibilities of annexation to the Village of Antioch.

Mr. Robert Golding, Mr. Santino's Attorney and Mr. Robert Grossman, the Planner of the development were both on hand to assist Mr. Santino with his presentation.

The presentation which was designed to be informative, gave a detailed account of the 249 acre development. The property the project is slated for is located in the unincorporated portion of Antioch and Lake Villa Townships. 66 of the acres are north of Grass Lake Road on which 600 dwelling

units will be developed and 183 of the acres are located south of Grass Lake Road on which 887 dwelling units will be developed.

Grossman told the Boards that one of the development objectives for the Antioch Country Club is to preserve the open rolling character of the golf course. For this reason, the building program utilizes groupings of small two-story buildings and some apartment buildings. The development Plan includes three major components: Approximately 1500 dwelling units in a variety of building types, a neighborhood shopping center, and a wide range of recreational activities including two golf courses.

Furthermore, the Planner explained, the development is designed to provide housing in a quality environment at a moderate cost. Both condominiums and rental units are provided. Five basic housing types are included in the design. 13% of the housing will have one

bedroom, 77% two bedrooms and 10% three bedrooms.

It was stressed that the Antioch Country Club Planned Development is conceived primarily as an adult community. The concentration of recreational facilities primarily designed for adults and the high proportion of one and two bedroom apartments is designed to contribute to this objective. It was also pointed out that many of these units will be second homes for people who desire active recreation and contact with the outdoors on weekends. (It was mentioned that Richard Brown's Leisure Village in Fox Lake was designed on such a basis and that it has been quite successful.)

Grossman said, "The higher evaluation of the property when it is developed will make a substantial net benefit to the school districts, although we seem to be having a hard time

Continued on Page 9

The Antioch Planning Commission is faced with a difficult decision, which may have great repercussions in the future planning of Antioch. Presently, they must decide if they will continue to employ the Lake County Regional Planners to complete the Comprehensive plans for the Village or if they should hire an independent firm to complete the Plan.

There were representatives from both an independent firm and from the Lake County Regional Planning Commission at Thursday night's meeting, June 7th.

Mr. Allen Kracower, from the firm of Kracower Associates made the first presentation. He made a similar presentation to the Commission a year and a half ago and began by asking Mr. Bemis what had been accomplished since that time.

Mr. Bemis responded, "The truth of the matter is that not too much has been accomplished. We are not too much further along this year than we were a year and a half ago."

Mr. Bemis then explained the delays they have had to cope with from the Lake County Regional Planning Commission. A contract was signed with Lake County on January 17, 1972 for the first phase of the plans. The first phase originally was scheduled to take ten months to complete. However, as of yet only the base maps, which is the first part of phase I, have been completely finished.

Mr. Kracower had many things to tell the Commission.

He said, "The Village is going to have to make up their mind how deep their commitment."

After the Plans have been completed, Mr. Kracower told the board the most important thing to have is an effective Zoning Ordinance and Planned Development Ordinance.

"The County has lost 95 percent of their cases with developments because their ordinances just couldn't hold up", said Kracower.

On the practical side, Kracower, explained some of the less glorious sides of a comprehensive plan. He told the Commission that a Plan designed to be effective for the next 15 years is sometimes outdated in 3 or 4 years. He also mentioned that many Villages took the time to secure good comprehensive plans, but failed to use them and in some cases they were not even circulated.

If the Village did not feel that they wanted to have a full

Comprehensive Plan they would be able to go in the direction of a sketch plan. According to Kracower this is merely a plan that includes only the most important factors and can be updated every year or so if desired. However a sketch plan would lack school sites, park sites and a transportation study.

Kracower said, "A sketch plan would cost from \$5,000 to \$10,000, you would have to be well aware of what you are getting, -- and it is not a lot."

A full bloom comprehensive plan would cost the Village from \$20,000-\$30,000 a year, and could be completed within a years time. After the plans were completed a member from the firm would attend each meeting to offer any needed advice or information.

Kracower was asked if he would be able to work with the plans the County has already completed or would he have to throw them out and start from the beginning.

Mr. Kracower answered, "Yes, by all means. With all of the cities we have planned for, we have worked very closely with the County. Depending upon what the County has done thus far, it may be possible to complete the plans in 6 months."

Following his presentation Cranston Byrd and John Anderfuren, who are Planners from the Lake County Regional Planning Commission, addressed the board.

Mr. Byrd came to the meeting with a message for our Commission from Lake County's Commission.

Mr. Byrd said, "The work will progress if the Village wants it to happen. At this point there is no particular set of dates we can offer you as to the completion of the plans."

"The completion of the plans hinges on two things," he said, "The first thing is the hiring of a new Executive Director and the second thing is the staffing up to carry out our programs."

He further told the Board that it was up to the new Director as to which priorities various projects would be given.

But Byrd added, "I don't think there is going to be any radical changes under the new director, -- at least under this year's budget."

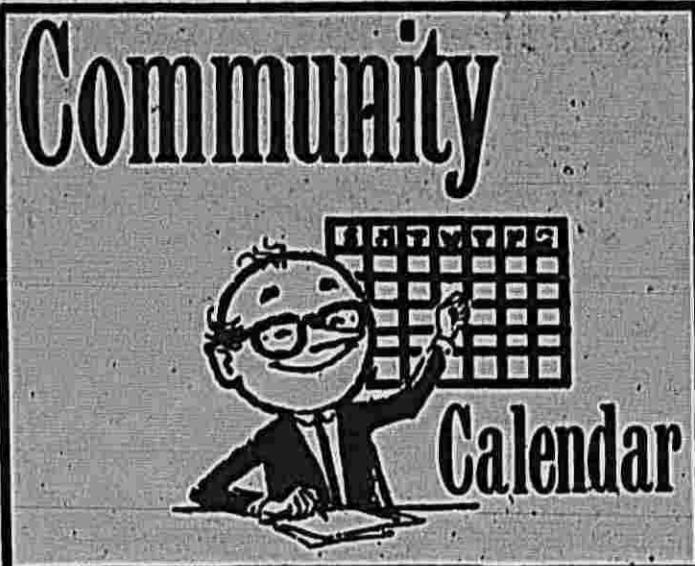

Anderfuren pointed to the fact that the County has lost four of their planners within the last two months and they haven't been replaced as of yet, thus

"FREE"

IMPORTANT PUBLIC HEARING

There will be an Environmental Impact Meeting at the Village Hall on Wednesday, June 13th at 8:00 p.m.

The purpose of this public Hearing is to provide information and answer questions of all interested persons with regard to the Expansion of the Antioch Sewage Treatment

Plant.

A complete description and detailed plan of the statements of cost and of financing the project will be available for public scrutiny.

There will be a discussion of the potential Environmental Impact of the planned expansion, also.

"I GOT MY LIMIT" Richard Ohlgren with Coho Salmon taken out of Lake Michigan in Tom Otterson's fishing machine named Miss Jan.

**PARK &
PLAYGROUND
COMMITTEE
FOUNDED**

It has been said that Antioch has insufficient Parks and Playgrounds. The Village Board has elected to do something about this factor. In order to take steps in the right direction, they have asked that all interested citizens come forth and give them a hand in the actual planning stages.

Seven of Antioch's citizens have stepped forward and volunteered their services for this project. They are: Bruce Bartosz, Cliff Houghton, Richard Kessler, Pat Lorenz, Eunice Mueller, Gigi Spittle, and Marcia Starcevic. This volunteer citizen's Committee will begin meeting with the Village Board's Parks and Playgrounds Committee this week and the meetings will continue throughout the summer.

**ATTENTION!!!!
CURFEW INFORMATION
EVERYBODY SHOULD KNOW**

The following is some general curfew information that is important for everyone to be familiar with.

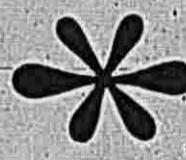

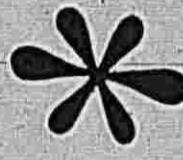

**CURFEW INFORMATION
FOR THE VILLAGE OF
ANTIOCH**

every day of the week.
**CURFEW INFORMATION
FOR THE STATE OF
ILLINOIS**

The State of Illinois under Chapter 23 of the State Statutory Section 23-71, states that all persons under the age of 18 have a curfew from 12:01 a.m. on Saturday and Sunday mornings. It is from 11:00 p.m. on all other nights of the week.

All laws state that if the child is with a parent, a legal guardian, or a person over 21 years of age, having parental consent, they may be out beyond curfew. There is also a provision made for those who work past curfew time at jobs, allowed by the law.

Children on the street at night come under Village Ordinance 50-1-1, which states that children under the age of 16 have a curfew of 10:00 p.m.

**PLANNING COMMISSION FACED WITH DECISION**

Continued from page 1.

leaving the department greatly understaffed.

Antioch's Commission continued to try to get a completion date at least tentatively scheduled. And at that point Cranston Byrd was asked, "Could it be another two years?", to which Byrd replied, "Sure".

When asked if the Village employed a different planning firm would the county's completed materials be available for their use? Byrd said all of the completed materials would be turned over to the Village and they would be charged for only that much of the work.

After hearing from both parties, much discussion en-

sued on behalf of the Commission members and they decided to take the following steps. First of all they will write a letter to the new director and make their needs known.

Don Amundsen, a member of the Commission who suggested the letter be written said, "We should write a letter to the effect - 'We have been waiting for 1½ years for a service and in fact you have done us a disservice.'

The second course of action that will be taken entails the interviewing of more independent planners. Two of the members will interview several planners and will report to the Board on their findings.

WERE YOU COUNTED?**THE U.S. BUREAU OF THE CENSUS IS COMPLETING ITS SPECIAL
CENSUS OF ANTI OCH, ILLINOIS**

It is important that the census include all of the people who were living in this place on the official date of the census which is given below. If you were living here on this date and believe that you were not enumerated for the census, fill out the form presented below and mail it to the Census Supervisor.

It frequently comes as a surprise when citizens realize that the term of office for Members of the U.S. House of Representatives is only two years. This two-year term was established at the Constitutional Convention in 1787 as a compromise between Elbridge Gerry of Maine, who recommended a one-year term, and James Madison of Virginia and Alexander Hamilton of New York who argued in favor of a three-year term.

The short term was established deliberately in order to assure a large measure of responsiveness of these Representatives to the sentiments of the voters in their respective Congressional Districts.

Initially, the two-year term consisted of one, or at the most, two brief legislative sessions lasting no more than six or eight months in all. Added time was required for travel, which was by horseback or stagecoach in the early days of the Republic.

Beginning as far back as 1808, proposals were made to increase to four years the term of office of U.S. Representatives. Literally hundreds of individual measures have been proposed since that time, including a proposal recommended by the late President Lyndon Johnson in 1966.

However, no measure has yet received the necessary two-thirds vote of the House and Senate which is required before submission of such a Constitutional amendment to the states for ratification.

Two alternative proposals are pending in the present Congress. One measure (H.J. Res. 424) offered by Representative Don Edwards of California would establish staggered four-year terms, with one-half of the Members being elected coincidentally with the President, and the other half in the non-Presidential election year. The chief difficulty this system would encounter is that after each ten-year census, the Constitution requires a redistricting which would have the effect of altering Congressional lines midway through a term of one-half of the House Members - requiring some means to avoid overlapping of Congressional Districts during the two years following such redistricting.

The other alternative recommended by this Member of Congress (H.J. Res. 526) would establish a four-year term to begin during the non-Presidential years. In other words, the Members of the U.S. House of Representatives would be elected separately from the President, and thus would not be influenced by the so-called Presidential coattails. Another provision of this legislation would make U.S. House Members ineligible for election to the Senate unless they submitted their resignations from the U.S. House.

Since this Member's proposal would produce a more independent Congress by the election of

FLAG DAY

Flag Day, June 14, is a time for us to fly "The Stars and Stripes" and prove that the spirit of liberty under representative government is still alive and that the sacrifices millions have made over the years were not in vain. Most Americans don't realize how good they have it. Few know the hopelessness of real, grinding poverty -- even our poor live more comfortably than those of most other nations. Americans have never lived through the hell of air raids and bombings in their own country which gut entire cities and tear families asunder. True, we have our problems, but thanks to the strength of the American system we, the people, can tackle them head-on and decide our own fate through our representative form of government. The good things in life may all be traced back to this one basic foundation stone, the American system.

So if you feel something tug at your heart at the sight of "The Stars and Stripes" fluttering majestically in the crisp morning breeze, don't apologize. It is that kind of love of country and its freedoms that will one day turn this world into the peaceful home for mankind that it was meant to be.

DO SOMETHING WITH YOUR SUMMER

This is only the second week of June, it's not too late yet to get busy and do something with your summer. Years from now do you want to look back and say, Oh I remember the summer of '73, I didn't do anything, but loaf around and do nothing.

Or would you rather look back and say yes, that was one of the most productive and happy summers of my life. I worked for so and so and learned a lot about people and business. That is the summer I had a crush on Mary Lou and worked on that old Jalopy with the rest of the guys on the block. It was the summer that I finally read all of the books that I wanted to read during the school year and that I could watch the summer re-runs that I had never seen.

This might sound a bit corny and old fashioned to you, and you might be thinking Oh, brother, don't hassle me, I'm happy not doing anything. But think ahead a few years from now, when you are out of school and are working at a steady job, you may be looking back and wishing that you had all those things that are no longer possible. Are you really sure that you will not have regrets at a later time? ... Do something worthwhile this summer and have a happy memorable summer.

SUMMER ACTIVITIES FOR ANTIOCH'S YOUTH

ANTIOCH AQUA CENTER SWIM TEAM

Now more than ever there are many summer activities in Antioch for the young to engage in. The Antioch Aqua Center Swim Team is already busy getting into shape, and summer school, both high school and grade school, will soon be beginning. Not to mention all of the young boys who will be very busy with the Little League.

It is not possible to join the Little League at this late date, but it is still possible to be part of the Antioch Aqua Center Swim Team; you must join before June 20th. Anyone between the ages of 6 and 18 is eligible to join.

40 swimmers have already begun to practice this week and it is expected that approximately 100 members will make up the swim team this summer. The swimmers on the team are from all over the area including Lake Villa, Waukegan, Zion and Winthrop Harbor.

A good percentage of last year's team continued swimming for the winter months on the Waukegan YMCA team and are expected to return in good shape this summer.

The team will practice on Monday, Wednesday and Friday mornings from 8:30 to 10:30 a.m., whether it be rain or shine. If you are only six years old, you can join the team providing you can swim 1 full length of the pool. If you are over 10 years old then you must be able to swim two full lengths.

Mrs. Marty Berry has returned to Coach the team for her fourth consecutive year. She has six children herself and all of them are swimmers, too.

The swim team will be up against some tough competition this summer as they will face the Lake Forest team, Tennyqua, Plum Grove, Kenosha AAY, Brentwood, Old Willow, Fox Point, Tremper, Bradford, Kenosha and hopefully the newly formed Libertyville team.

Their first meet will be on June 23rd at Plum Grove in Palatine.

The State Bank of Antioch sponsors the Antioch swim team furnishing all of the sweatshirts and needed equipment. Members of the team are required to pay \$10 for an individual membership. For the second child in the family the fee is \$8, for the third child \$5, and any child after that is \$3.

HIGH SCHOOL SUMMER SCHOOL

There is a wide range of courses that will be offered this

year in the High School summer school program. The offered courses include: Preparatory English and Math for 6th, 7th, and 8th graders, English (all levels), Math (all levels), Typing, History, Social Problems, Economics, Driver Education, Safety Education, etc.

There are four main reasons that summer school is being offered: (1) To permit students to accelerate their public school program by earning additional credits toward graduation. (2) To permit students to make up work which they have failed to complete satisfactorily during the regular term. (3) To occupy the time of youth which might otherwise be idle during the summer months and (4) To offer courses of special content which are not available during the regular school term.

June 19th is the cut-off date for registration. Summer school will begin on Wednesday, June 20th, and continue until Friday, August 3rd with no classes being held on July 4th, 5th and 6th. The last day a student can enter a class will be on Monday, June 25th.

There will be a fee of \$26 for the first semester in which the student is enrolled and \$51 if enrolled in two semesters of work. Two class periods will be held each day running 120 minutes each. The first period will be from 8:00 to 10:00 and the second period will be from 10:00 to 12:10.

For more information call the High School at 395-1421.

GRADE SCHOOL SUMMER SCHOOL

Approximately 150 of the area children will be attending summer school at the Upper Grade School this summer. The program is quite different than the usual school routine.

There will be nine teachers participating in the program, teaching, reading, and Math. There will also be one arts and crafts teacher, who will have one class with all the students everyday. The students will also have a recreation period everyday.

Classes will be held from 8:00 to 12:00 on Monday thru Friday. There will be no classes on July 4th, 5th and 6th. The sessions will begin on June 20th and draw a conclusion on August 3.

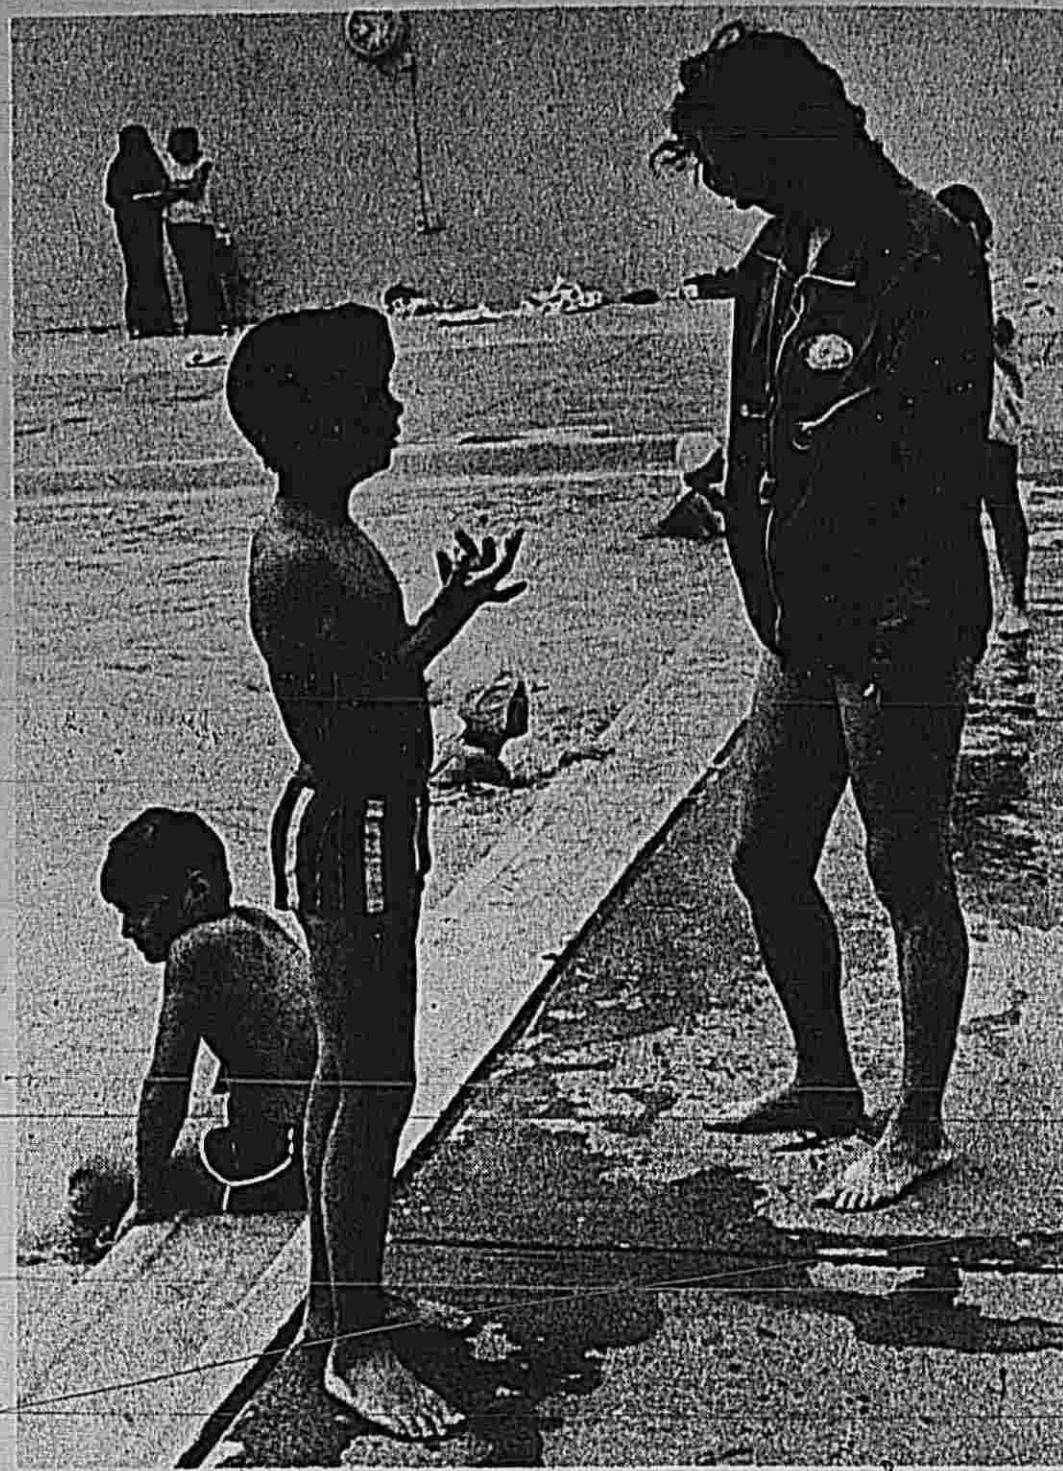

Students from Grass Lake, Milburn, Emmons and St. Peter's will be participating in the program. Most of the students were recommended for the program by their teachers and there is a waiting

list for those children who would also like to attend. Mrs. Mitzi Weick, head of the Language Arts Program at the Upper Grade School is in charge of the program this summer. She has tried to keep the classes as small as possible so that it would be possible to give the students the individualized instruction they need. Both the teachers and students alike will be aided this summer by a new method of teaching called "System 80" of which more will be heard about in the future.

Mrs. Weick commented that she is planning 3 or 4 field trips for the students and plans to have one movie each week. She has participated in the program for the last six years, however this is her first year as director.

There will be bus service for students enrolled in summer school at either the grade school or high school levels. The buses will be run in cooperation with both school and they will pick up the students as well as deliver them back home again.

These are only three of the many summer activities available for the youth in Antioch. Next week the Antioch News will feature a special story on the Little League.

Mrs. Marty Berry, who coaches the Antioch Aqua Center Swim Team, listens to the problems of one of the younger members during the first day of practice. (Staff Photo)

TWO FIRES STRIKE IN ANTIOCH

Two fires have been fought in Antioch during the last two days. The first occurred at 10:30 p.m. on Sunday, June 10th on Rte 83 on the State Line, in which a storage barn burned to the ground. The Trevor Fire Department assisted the Antioch Fire Department in extinguishing the blaze which caused approximately \$8,000 damage.

The barn was owned by Ted Ozga, who used it for storage. Snowmobiles, a boat and various antiques were in the barn.

The cause of the fire is undetermined. However, the State Fire Marshall is inspecting.

The second fire occurred on Monday, June 11 at 1:59 p.m. west on Rte 173 by the Sequoia Marina, in which a bait shop and a garage were damaged. The buildings were owned by Ed Sorenson. Approximately \$3,000 damage was done to the buildings and their contents. The cause of the fire is undetermined.

Deputy Fire Chief, Barnie Barnstable, and Asst. Fire Chief, Irving Walsh, inspect the damage that was caused during the fire that broke out in the bait shop on Route 173. (Staff Photo)

POSSIBLE SENIOR CITIZEN TAX BREAK

Legislation allowing municipalities to grant a tax break to senior citizens on their vehicle tags has passed the Illinois State Senate.

The legislation, sponsored by Sen. Karl Berning, R-Deerfield, won overwhelming approval of the Senate on June 1.

It provides that persons 65 and over could purchase their vehicle or license sticker at a

reduced fee to be determined by the municipality.

"This is another step to provide tax relief so badly needed by our senior citizens," Sen. Berning commented.

Berning and Willis Overholser, village attorney for Libertyville and Grayslake, developed the legislation.

It now goes to the House of Representatives for consideration.

FREE CANCER EXAMINATIONS FOR WOMEN

Dr. Peter L. Vinciguerra, Chairman of the Lake County Unit of the American Cancer Society, today reminds women of all ages to make appointments at the unit office for free pap tests.

The tests, which detect early uterine cancer in time for the patient to be cured, will be given at Barwell Settlement, 201 Liberty Street, Waukegan, from 9 a.m. to 4 p.m. on Tuesday, June 19.

By making appointments ahead of time at the unit office, 228 N. Genesee St., Waukegan, women do not need to wait in

line. Appointments may be made by phone, by calling 336-9293.

Dr. Vinciguerra said that 400 women were screened in January at the free clinic, sponsored by the Cancer Society.

Women who have the tests do not need doctor referral. The tests are given to women, regardless of their income.

Uterine cancer could be dramatically reduced as a cause of death if every adult woman would have a Pap test yearly, Dr. Vinciguerra said.

70 YEARS AGO JUNE 11, 1903

Oats & Corn for sale by C.G. King, Grass Lake.
The Antioch Hillside Cemetery Society will give a picnic & chicken pie dinner at Crowley's Grove, Cross Lake.

50 YEARS AGO JUNE 14, 1923

Last Saturday night was the 3rd of series of weenie, marshmallow, and corn roasts given by Mr. J.J. Morley at his Subdivision. About 60 were present and all declared they had never eaten real sweet corn before.

Frank Harden had the misfortune to break his wrist on last Thursday evening while cranking his car. At present he is doing nicely.

20 YEARS AGO JUNE 11, 1953

Mayor James W. McMillen reported that the renovation of Orchard Street should be completed within the week. This includes widening, paving, and other necessary changes.

Mrs. H.B. Gaston 654 N. Main was appointed Chairman of 1953 Doughnut Day. 20 percent of funds raised that day will remain in Antioch to be made available for a wide variety of social and welfare services throughout the year.

10 YEARS AGO JUNE 13, 1963

The Antioch Fire Department is in the process of making plans for their 50th Anniversary. There will be hosts of visiting dignitaries, a giant parade, and various forms of entertainment all set for June 29.

Local golf enthusiasts will have a chance to see Antioch's Judy Torluemke play when she tees off in the Macktown Open at the Macktown Country Club in Rockton, Illinois this Friday.

PIONEER VILLAGE — A DREAM COME TRUE

Billed as "Nebraska's Top Attraction," visitors signing the guest register commonly remark, "Fantastic," "Unbelievable," "Highlight of our trip."

Pioneer Village, at Minden, in south Central Nebraska, is truly a tribute to all pioneers, a personal memorial to the founder's homesteading parents and a "walk through history" to millions of visitors (170,000 last year) who came to "See How America Grew." Classed one of the nation's top 20 attractions, it is a dream come true for Harold Warp, an easy-smiling man of 69, who admitted, "I'm not going to be here forever, but I hope the Pioneer Village will be."

Hard-driving tycoon that he is, the onetime Nebraska farm boy finds the same challenge in his 30,000-item "showcase" that he's found in big business (he is a Chicago plastics' manufacturer). Keeping a personal hand in the Village brings Warp back frequently (he's flown for 42 years) to the home town he left in 1924, for a couple of days of decision making: Would another proffered jet add anything but size to his aircraft display? Is \$25 a fair price for a "little different" coffee grinder? Any comments about the new Nebraska sales tax not being passed on to visitors?

One hundred Minden employees — mostly first-name friends — claim no detail is too minute for Warp's eye. He has run his plastics manufacturing operation the same way from the time it was a factory by day and his sleeping room by night.

Four Chicago plants now boast more than 350 workers as "the world's largest manufacturer of plastic window materials." Dealers know the firm as "Warp Brothers." He was barely out of boyhood when he perfected Flex-O-Glass in a

Minden garage. By the time he patented his plastic at age 20, Warp had been a farm laborer, carpenter and printer (he worked his way through high school in a local print shop).

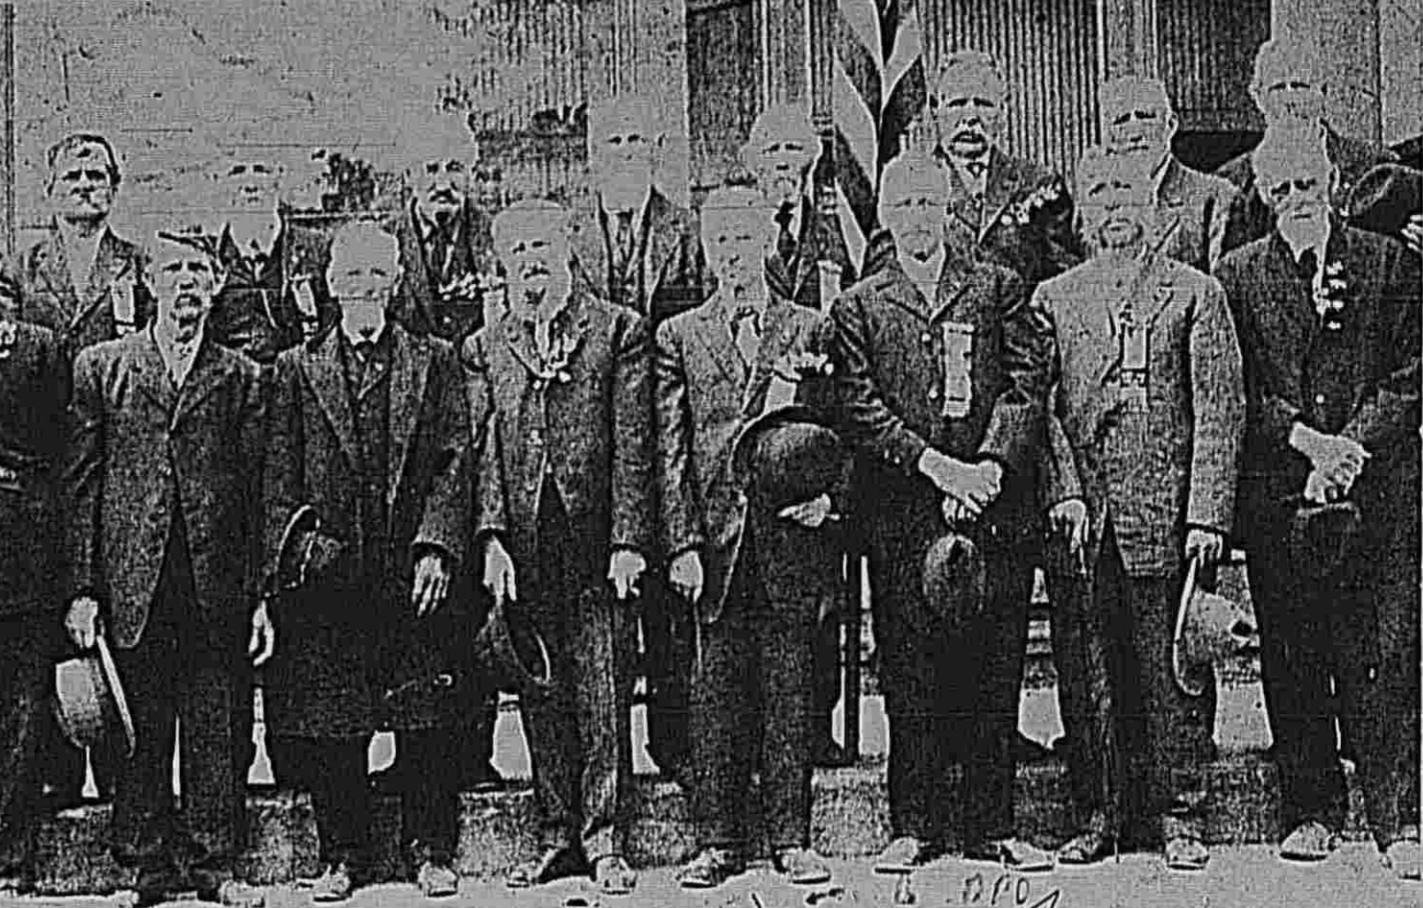

Pioneer Village was started unintentionally with the 1948 acquisition of a weathered rural school which had tutored the Warp family. Minden's first church, homesteader's land office, the old B and M Depot and several other landmark buildings quickly followed — all for the express purpose of "saving them from destruction."

Henry Ford's famous Greenfield Village and Museum in Detroit inspired the Pioneer Village — but in a negative way. A personal acquaintance of the Ford museum's curator, Warp tried to sell him on displaying its items chronologically. Failing, Warp turned to the history undertaking of his own.

That's why the Pioneer

Village displays everything from washboards to motor boats in evolutionary order, including dozens of horse-drawn rigs, 250 horseless carriages and thirteen historic flying machines. In the "Power" section are over 100 antique tractors from lumbering steamers to caterpillar Diesels. Music, communications, kitchens of each generation; you name it. It's there. Every exhibit is in keeping with Warp's vow to dramatize Americana as "a history of man's progress since 1830."

If you would like to stroll down through history for a few hours or several days, take Interstate 80 to the Minden Exit, 120 miles west of Lincoln, Nebraska, to the Harold Warp Pioneer Village. Admission is only \$1.50 for adults, 50 cents for minors and tots are free. Adjoining are a 66 unit motel, campground, and restaurant, all reasonable.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

LEGISLATION PASSED FOR CONSTRUCTION OF CORRIDOR 201 FREEWAY

The Illinois Senate has passed legislation sponsored by Senators Karl Berning (R-Deerfield) and Jack Schaffer (R-Cary) to spend \$61 million for construction of the Corridor 201 Freeway

in Lake and McHenry counties.

The freeway would run from the Tri-State Tollway at Belvidere Road west and north to the Wisconsin state line.

The bill is part of a legislative package offered by Senate Republicans to begin construction of the supplemental freeway system designed under former Gov. Richard B. Ogilvie. The Republican package would cost \$621 million compared to a \$490 million program proposed by Gov. Daniel A. Walker, and would be paid out of funds available from the highway bond issue and currently in the state road fund.

Commenting on the Senate's action, Berning and Schaffer said, "The Senate's approval of this bill was a wise and financially responsible act. By building this expressway now, while many of the areas it will serve are not developed, we can save millions of dollars in land acquisition and construction costs. Gov. Walker has ignored this potential saving in his highway program by scheduling no work on the Corridor 201 Expressway for at least four years. By that time thousands of acres of new developments will lie in the proposed path of the freeway, and the result will be a greatly multiplied price tag to build it."

CAMPOUT HELD AT ILLINOIS BEACH PARK

The Local Chapter, "NORTH STARS", Good Sam Club, will host its monthly campout at Illinois State Beach Park, June 23, 24, 25, 1973.

All Good Sam Members and anyone interested in joining are cordially invited to attend.

DR. A'S MINI-TALES**The Mysterious Lens**

It looked like an ordinary magnifying glass. Jimmy spotted it lying on the sidewalk. But when he looked through it, things disappeared. A stone, a button, a ladybug, even Jimmy's finger. He didn't know what to do until he tried turning the lens around. That way, everything he looked at got bigger. He fixed his finger and turned a penny into a dinner-plate. He made giant birds and butterflies and tiny trees. Then, on his front porch, Jimmy's cat Boswell hissed at him. Jimmy decided to shrink Boswell down and teach him a lesson. But he looked through the wrong side of the lens, and Boswell grew instead — as big as a tiger. He roared and frightened Jimmy so much he dropped the mysterious lens. Jimmy dashed inside. But soon his mother wanted to go out shopping. What if Boswell ate her? She laughed when Jimmy tried to warn her. So he slipped out and found the

lens again. Boswell came back, and Jimmy shrank him down — oops! too far! Where was Boswell? Jimmy played with the lens some more. But then he looked through the lens into the mirror. And as he watched, the lens got smaller and vanished. His mother never believed him. But each day he put out a drop of milk for Boswell, and it disappeared with a tiny slurping sound.

EXPLORERS TO HOLD SAFE DRIVING ROAD RALLY

With all the adverse news today about auto racing and speeding on the highways, the Explorers are taking the leadership in promoting safe driving.

The Northeast Illinois Council Exploring Division, B.S.A., in cooperation with the Lincoln Mercury Division of Ford Motor Company and Lindsborg Lincoln Mercury of Libertyville, will sponsor a safe driving road rally Sunday, June 24, at 1:00 p.m. The road rally, which is not a race but a test of good driving, makes a fine art of following an unrehearsed route on schedule. Stress is placed on safe driving and the ability to follow maps and directions.

The 100 mile course will wind through Lake County. The rally will be conducted with the highest regard for safe driving, strict compliance with traffic laws and geared to speeds well within legal limits.

Assisting the road rally will be various law enforcement agencies of the villages and towns along the route. Participants will be vying for trophies and an opportunity to participate in the Grand National Safe Driving Road Rally to be held September 20-22 in Detroit, Michigan. To qualify each rally car and driver must attend a briefing and pass a safety inspection.

The Explorers is a co-educational career and outdoor activity oriented program for young people 12-20.

"WORLD OF MEDICINE" TO AIR ON WZBN & WKZN

St. Therese Hospital and Radio Stations WZBN (1500) AM and WKZN (96.9) FM, Zion, have combined forces to present a new radio show, "The World of Medicine."

Beginning Wednesday, June 6 at 2 p.m. and running for 14 weeks, the show is a mutually coordinated public service effort, designed to inform the public on various fields and aspects of medicine.

Members of the St. Therese medical staff will be interviewed on each show. Some of the subjects to be explored include: cosmetic plastic surgery, face lifts, oral surgery, trauma, importance of prenatal care, mental illness, cholesterol, blood pressure, importance of the PAP smear, pulmonary and lung problems, and coronary heart disease.

The show is being produced by the hospital, under the supervision of Dr. R. M. Adelman, Medical Director, in cooperation with Frank Falduo General Manager of the station.

DR. LAWRENCE DAY HONORED AT CLC

Dr. Lawrence C. Day, Libertyville, is shown receiving a gavel and a resolution honoring his service on the College of Lake County Board of trustees. Board member James Lumber, Antioch attorney, shown making the presentation at a recent board meeting, said, "We always got a lot of mileage out of Dr. Day." Dr. Day, who was recently elected to his third term on the board, served as president last year. He was among the first board of trustees elected to establish the college in 1968.

(Week of June 15-21)

ARIES (March 21-April 20): Be alert for new opportunity, possibly involving travel. Family problems may occupy your attention over weekend. Exercise tact. Mid-week brings a creative and active social cycle in which you can be a hit! Best days: Tuesday, Wednesday.

T A U R U S (April 21-May 20): Financial matters involving joint assets could create dissension. But you are due for a good turn of luck. Contact with someone from afar could be the key. Associates likely to be impressed by your ideas early in week. Best days: Monday, Wednesday.

G E M I N I (May 21-June 21): Watch your grooming, especially if you're involved in social events over weekend. A good time for shopping for clothing, accessories. Career matters well aspected during this period. You can make gains through your good judgement. Best days: Saturday, Monday.

C A N C E R (June 22-July 21): Your personality impresses others; energetic effort can bring new recognition in career, civic projects. A quiet period for romantic matters. A good time to plan for changes in work, residence. Best days: Thursday.

L E O (July 22-August 22): Avoid over-exertion, particularly in social life. Weekend well aspected for rest, relaxation or pursuing favorite hobby or sport. Be on your toes during early part of week. Someone special could become important in your life. Best days: Monday, Wednesday.

V I R G O (Aug. 23-Sept. 22): A quiet period ahead socially. Business, career cycle favors creative projects, new ideas later in week. Use your imagination and don't be afraid to make suggestions. Superiors are impressed by action. Best days: Tuesday, Thursday.

L I B R A (Sept. 23-Oct. 22): Romantic cycle high for those born under your sign. Gemini often makes an excellent match. Avoid displays of temper. Patience and tact can generate warm feelings of affection and friendship among associates. Best days: Sunday, Tuesday.

S C O R P I O (Oct. 23-Nov. 22): Adventure and leadership are common characteristics for the Scorpio man or woman. Give full rein to your imagination and your idealistic quest for improving things. Family and friends may seem demanding, but give your counsel freely. Best days: Saturday, Wednesday.

S A G I T T A R I U S (Nov. 23-Dec. 21): Solar influences indicate an excellent cycle. Romance, career advancement can bring new excitement into your life. While you are generally regarded as steady and reliable, you have a strong urge to excel. Be alert for opportunity to do so. Best day: Monday.

C A P R I C O R N (Dec. 22-Jan. 20): You may have been experiencing difficulties lately, but have faith in your own ability. Your desire for independence in all things helps to realize your ambitions. Be careful with finances. A good time for quiet reflection. Best days: Wednesday, Thursday.

A Q U A R I U S (Jan. 21-Feb. 18): An active period for social affairs. Weekend fine for entertaining or planning future parties. Someone you know casually could indicate a romantic attachment which you find flattering. Your compatibility signs are good. Best days: Friday, Sunday.

P I S C E S (Feb. 19-March 20): Work may seem to be an endless treadmill, but your dedication is appreciated. Not a good time for travel. An older friend or relative may need your help on a vexing problem. Consideration now will pay dividends later. Best days: Saturday, Sunday.

The Jaycees took 48 happy youngsters to see the Cubs play ball against Los Angeles last Wednesday, June 6th. The children were from Antioch and from the Central Baptist Home in Lake Villa. The Jaycees raised the money for the trip during their "Hold Up Day" in Antioch a few weeks ago. (Staff Photo)

Along the Way with Annie Mae

I think we can safely say, summer is here. And, many youngsters proved it, as they flocked to the Antioch swimming pool this past week.

There will also be many future scuba divers, as 30 of them started lessons on Sunday morning at the Aqua Center. This is an up and coming sport.

Lucien McLean, his daughter, and Gail (McLean) and Frank Moser, Jr. took in the 150 mile Rex Mays Championship Car race on Sunday at the State Fair Park in Milwaukee.

Hear tell there's going to be a wedding in August at the Hank Apostal household!!

Last week, a friend of Chief Wells surprised him with a birthday cake - in the shape of a "pig".

Dr. Bobzien and Mrs. Bobzien look well rested after their trip abroad.

PM & L's new play "The Paisley Convertible" opened last weekend to a packed house. Don't forget to make your reservations. Only two weekends left.

A group of "Basketball Sequoits" left Sunday for a weeks work out at the Badger Camp in Madison Wisconsin.

On June 30th the fire department will hold their annual Dance. Buy your tickets early.

Father Eugene Keusal is enjoying a much deserved vacation by touring some of the Western states. While there, he is visiting Father Jerry Horton son of Mr. and Mrs. Raymond Horton of Antioch. His parish is in South Dakota.

"Susie Baby" and her family send get well wishes to Ken Rentner who underwent surgery at Victory Memorial Hospital last Monday.

Belated birthday wishes to Phyllis Bucar on June 6. Many happy returns to Mrs. Peter Leider who celebrates on the 11th, Betty Davis on June 12, Jeff Schmidt, Richard Kinney and Revilla Horton on the 13th, Mary Morgan on the 14th, Terry O'Brien and Laurie Good on the 15th, Larry Ellis and Mike

Ksioszk on the 16th, John Davis on the 17th and Lois Dowell on the 18th.

Anniversary wishes to Mr. and Mrs. Ernest Glenn and Barb and Joe Rush on June 13. On the 17th wishes go to Bob and Ruth Bemis, Mabel and Neil Carney and Mr. and Mrs. Lewis Gardner.

Karen Sheehan became Mrs. Jerry Powers at a lovely double ring ceremony on Saturday, June 9. The bride wore her mother's lace wedding gown with a cap veil and carried a lovely bouquet of small orange flowers imported from Sweden. Congratulations "Little Bit" may you have much joy and happiness always.

Many Antiochites felt the tremor and saw the mushroom cloud that was the result of the McHenry Fireworks explosion. Kinda scarey to say the least.

Happy Father's Day

Annie Mae

ABBOTT HEALTH CARE WORLD WIDE

Edward J. Ledder, president of Abbott Laboratories, stated today that the Federal indictment earlier this week is "completely unwarranted and not at all in the public interest."

He further emphasized that the government action related to "a recall which occurred over two years ago and to a closure system which is no longer on the market."

"We consider our reserves to be adequate to cover the anticipated costs from this and related litigation. In our opinion, these matters should not materially affect the results of either the current or future operations of the Company or its financial position."

"As previously reported, our sales and earnings in the first quarter of 1973 rose to record levels, with net income climbing 16 percent. We presently expect this trend to continue throughout the balance of the year and are currently projecting that results of operations for 1973 will rise to a record high of at least \$3.30 per share, or 15 percent above 1972," Ledder said.

Mr. and Mrs. Joe Klop of Route 2, Antioch won the Antioch Shopping Plaza Freezer Drawing on Monday, June 4th. The drawing for the freezer required customers to register in participating stores from May 24th to June 3rd. Twelve stores participated in the drawing and according to Terry Folbrick, one of the owners of Stanley Men's Fashions, the "response was excellent". Future plans for more drawings are in the making.

23RD ANNUAL ALL BREED DOG SHOW JUNE 17

Dogs will "strut their stuff" on Sunday, June 17, 1973 at the Lake County Fairgrounds, Routes 120 & 45, Grayslake, when the Chain O'Lakes Kennel Club holds its 23rd Annual All Breed Dog Show from 9 a.m. until 5 p.m. Over 2,000 canines, representing over 100 breeds from all over the United States,

are expected to be entered in the Show, with each entrant hoping to attain the goal of Best In Show.

The Chain O'Lakes Kennel Club contributes part of the proceeds of the show for a yearly scholarship to a veterinary student at the University of Illinois and again this past

year made a substantial contribution to Cornell University Research Laboratory for Disease of Dogs.

The Show is chaired this year by Roman Lenzen, Jr. of Round Lake, Mrs. Joan M. Ross, Ingleside, serves as President of the not-for profit organization.

KNIGHTS OF COLUMBUS— ANTIOPH HOLD ELECTION

The annual election of officers for the Knights of Columbus Antioch Council, No. 3800, "St. Peter of Antioch" was held on Tuesday, June 5th at the Antioch American Legion Hall, with eighteen members present. The following members were elected to office: Grand Knight, Ted Burbridge; Deputy Grand Knight, Charles Lee McKenny; Financial Secretary, Michael D. Kelly; Warden, Harold J. Kelly; Chancelloor, Pete T. Zelen; Advocate, Raymond M. Trayes; Inside Guard, Leo Bednor; Outside Guard, Thomas F. Haley; Recording Secretary, John Kapustka; Treasurer, Daniel Dugenske; Trustee, Three Years, Alfred C. Roth; Trustee, Two Years, Sam A. Lambardo; Trustee, One Year, Robert H. Berg; Chaplain, Rev. Fr. Francis L. Johnson.

John L. Horan was appointed public relations chairman for

the council.

There will be no change in the meeting schedule with meetings to be held on the first and third Tuesdays of each month as before.

William H. Bock, District Deputy, of Libertyville and his District Warden will install the new officers on Tuesday, June 26th. This will be an open meeting with ladies and guests invited. Refreshments will follow.

Members of the council selected and called "Wheeler's" will travel to Downey Hospital on Sunday, June 24th, for religious services. Each member of the committee will wheel a patient to the Sunday service at 9:00 a.m. Antioch K. of C. members will travel by cars leaving St. Peter's Church parking area at 8:00 a.m.

William H. Bock, District Deputy of Libertyville made an official visit to the Antioch Council on June 5th.

Santino renews annexation request

Continued from page 1.

getting this point across in some situations."

The Development is planned to be built over a five year period with approximately 300 housing units in each phase. The first phase contains all types of units and is designed to permit testing of the housing market. This phase includes the wastewater treatment plants. Although the plant will be constructed in phases, the first year development will include the pump house, sludge handling, primary and secondary treatment facilities to serve the housing and the club house, and

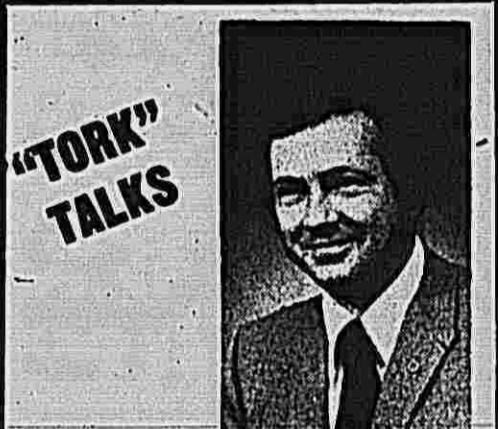

the complete tertiary plant.

The development of the North area will not begin until the fourth year.

Many questions were asked by the members of the various Boards following the detailed presentation, which was too lengthy to repeat in this context.

Mr. Santino was asked why he wanted his development annexed to the village, to which he responded, "You realize of course that it is going to cost us more money to bring our development into the Village, especially if we are going to have to run a forced main with two pumping stations. However, if we are not included in the Village, when the development reaches a population of 2,000 or more we may be forced to create a Village of our own. I don't think that it would be a happy situation to have a Village between Antioch and Fox Lake, before you know it we will wind up with the kind of situation Round Lake is trying to cope with."

Following the question period, Mayor Robert Wilton told Mr. Santino that the matter would be turned over to the Planning Commission, which will make its recommendation to the Board. He further stated that they will try to reach a decision as soon as possible — probably during the next 60 days — as to whether or not the proposed development will be annexed.

by: Tork Torkelson

FORD INNOVATIONS IN SAFETY

Ford Motor Company pioneered the first United States passenger-car application of a skid-resistant braking system in 1968. Trade-named "Sure-Track," it consists of a system of sensors, valves, actuator, and an electronic control module all working together to inhibit brake lock-up on wet surfaces, thereby helping to prevent skidding and loss of control of the vehicle. In effect, "Sure-Track" pumps the brakes far more rapidly than a driver could; it releases the brakes just before lock-up would occur and then re-applies them. The control module consists of 160 solid-state components mounted on a printed circuit board inside a plastic container and filled with a rubber-like padding compound. The components include transistors, diodes, capacitors and resistors.

COMEDY ON PM&L STAGE

The lighthearted comedy, "The Paisley Convertible" continues its run at the PM&L Theatre, 877 Main Street, Antioch, this Friday and Saturday. Curtain is at 8:30, and the play will also be presented the following weekend. The story concerns Amy Rodgers (Donna Mascari), shown in obvious discomfort above, and her husband (played by Dick Dyer), as they become curious about, and upset by, each other's previous "experiences" — or lack of them. Complicating matters is the appearance of the "other man," Ralph (Lou Jones), shown above, and the "other woman," Sylvia (played by Pam Hill). As usual, the mother-in-law (Lillian Allen) drops in rather unexpectedly and has all the answers. Reservations can be made by phoning 395-9702. (Staff Photo)

JUNIOR CHEERLEADING CLINICS AT BARAT COLLEGE

The Junior Cheerleading Association of America will conduct two three day clinics for junior high and grade school girls at Barat College, 700 Westleigh Road, Lake Forest this summer.

The first session will be held Sunday, June 24-26 and the second session will be Thursday, August 2-4. Jim Morrisroe is director of the clinics.

Participants may either commute daily or live in one of the Barat dorms under the supervision of trained counselors and a house mother.

Daily workouts include basic fundamental cheerleading skills such as mounts, splits, precision timing, team unity, jumps and new cheers.

Trophies and ribbons will be awarded at the conclusion of each clinic.

In addition, a "Miss Cheerleader" will be selected from each group and will then be eligible for the "Miss United States Junior High Cheerleader" award.

The fee for those who wish to commute daily (excluding meals) is \$12.00 for three days. The all-inclusive fee for those who prefer to live on campus will be \$29.50 for three days.

For further information and applications forms, call Jim Morrisroe at 312-566-4219 or write Junior Cheerleading Association of America, Box 713, Barat College, Lake Forest, Illinois 60045.

WOMEN OF THE MOOSE

The Women of the Moose enrolled one new member, Mary Carney, at the meeting of June 7th. Norma Lowe was her sponsor.

Senior Regent Karen Bartuska announced there will be an

enrollment on June 21st at the business meeting. NO FORMALS.

Advance dates: June 19th—Installation Practice—7:30 p.m. Short meeting following practice for the College of Regents Committee. June 23rd—Installation of new officers—8 p.m. Dancing and refreshments to follow. June 28th—Ritual Practice for all new officers, escorts and chairmen—7:30 p.m.

Please note: The first meeting in July will be on July 12th instead of July 5th—Formals. The College of Regents Committee will be in charge of the Chapter Night Program and fill the officers chairs.

MINORITY LEADER

SENATOR SCOTT TO KEYNOTE CONGRESSMAN MCCLORY TESTIMONIAL

Senator Hugh Scott, Minority Leader of the United States Senate, will keynote a dinner meeting honoring Congressman McClory's 10-years of congressional service at the Sheraton-Waukegan Inn, Waukegan, on Friday, July 13.

Recalling McClory's "Decade of Service" in Congress, the dinner will attract many Republican and some Democratic leaders, as well as long-time McClory supporters from throughout the 13th Congressional District, which includes Lake, McHenry and Kane Counties.

Congressman McClory's current position as number two Republican on the House Judiciary Committee evidences his leadership and influence in the U.S. House of Representatives.

The Recognition Dinner Committee is headed by Thomas J. Cogswell of Lake Bluff, and includes Frank H. Woods of Lake Forest, Frank Potter of Gurnee, who also serves as treasurer, Peter J. Nordigian of Waukegan, ticket chairman, and Mrs. Marian Douglass and Mrs. Walter Hamann of Lake Forest, and Mrs. Charles David Maley of Lake Bluff.

While the "Decade of Service" affair will highlight the legislative work of the 13th District Congressman, local political leaders are expected to employ this occasion to recall McClory's many related services in connection with federal grants to governmental units of the 13th Congressional District for sewer and water improvements, housing, open space, and other types of assistance.

Invitations have been mailed to a limited number of McClory friends and supporters. Additional information and tickets for the McClory Decade of Service Dinner may be procured by contacting Peter J. Nordigian, 33 North County Street, Waukegan (Telephone: 312-623-0122).

NAVY COMMISSION FOR T. J. NICKERSON

Thomas J. Nickerson, son of Mrs. Zelma Nickerson of Lake Villa, a former graduate of Antioch Community High School was commissioned an Ensign in the United States Navy on June 8th at the University of Illinois at Champaign. He will report to Pensacola, Florida in July for flight training with the Navy.

He received his Baccalaureate Degree with honors on June 9th at the University of Illinois at Champaign Urbana. He was married to Miss Mary De Ninno of Prairie View on May 27th. She also received her degree in the College of Education at the U. of I. on June 9th.

A WORD ABOUT THE CHAPLAINCY BOOK SALE

The sixth annual Lake County Chaplaincy Book Sale will be held the week of June 17-24, Belvidere Mall, Waukegan. Over 30,000 items will be available, including first editions, other collectors' items, records, paperbacks and hard cover magazines. An excellent selection of children's books is available. Hours for the sale on Saturday and Sundays are 9:30-6:00 and on weekdays, 9:30-9:00. This sale is the major fund raising effort of the chaplaincy service. Volunteers from all areas of Lake County donate, collect, price and sell the

books.

The Lake County Chaplaincy service is a non-profit Illinois corporation founded in 1963 to provide a continuing, active, non-secretarial ministry to the residents, patients, and inmates of the County's four institutions: The County Home for the Aged, The County Hospital and the TB Sanitarium, The County Youth Home, The County Jail.

In addition the Chaplaincy serves many outside of these institutions who, because of age, illness, poverty, dependence or delinquency are having trouble "making it".

HOMETOWN NEWS

5 AREA STUDENTS NAMED TO DEAN'S LIST

The Dean's List for the second semester of the 1972-73 school year at Illinois Wesleyan University was announced today by Dr. John L. Clark, Dean of the university.

The list totals 658 students. The Dean's List is made up of students who earned a grade-point average of at least 3.250, based on a 4.0 for all A's, during the semester.

Among the student's on the list were:

Pamela Hunley, R.R. 2; Barbara Polsgrove, 587 Main Street; Janet Polsgrove, 587

Main Street; Cynthia Schleusener, 1015 Victoria Street; Antioch; and Diana Colbert, 1012 N. Nathan Hale, Lake Villa.

AIRMAN LARRY HOWEN

Airman Larry F. Howen, son of Mr. and Mrs. Edwin F. Howen Jr., has graduated at Sheppard AFB, Texas, from the U. S. Air Force medical administrative specialist course conducted by the Air Training Command.

Airman Howen, who was trained to maintain medical and veterinary records, is being assigned to the USAF hospital at Wiesbaden AB, Germany.

He is a 1970 graduate of Salem Wisconsin Central High School.

DIANE VOS ON DEAN'S LIST

Diane Vos, 532 Windsor, Antioch, has been named to the Dean's list at North Park College, Chicago, for the spring term. She is a member of the junior class.

The Dean's list at the church-related college is made up of the men and women who earn an average of 3.1 or better. All A's make a 4.0 average.

North Park College, founded in 1891, is operated by The Evangelical Covenant Church of America, a denomination of

560 churches in the United States and Canada. A co-educational school, North Park is accredited by the North Central Association of Colleges and Secondary Schools.

PATSY RIDLEY

Navy Seaman Patsy A. Ridley, daughter of Mrs. Anna M. Smith of Lake Villa, Illinois, graduated from recruit training for women at the Naval Training Center in Orlando, Florida.

A 1966 graduate of East High School, Wichita, Kansas, she attended Kansas State College, Pittsburg and is scheduled to report to Personnelman Class "A" School, Orlando, Florida.

MARY ANN HILLS JOINS WARREN REAL ESTATE FIRM

Micheal Warren and Company announces the appointment of Mary Ann Hills as a real estate saleswoman. She was a summer resident in the Antioch area for many years before becoming a permanent resident twenty-three years ago. She and her husband, Corky graduated from Antioch High School.

They reside on Cross Lake with their three children, Diane 14, Holly 12, and Karyn 9. Mr. Hills' family were farmers and one of the first settlers in the Antioch area; he now is an engineer with the Illinois Bell Telephone Company.

Mary Ann helped initiate a Red Cross trained volunteer School Health Room Program which is now utilized throughout Kenosha County and the State of Wisconsin. She is also active in the Salem Consolidated Grade School PTA and is a past president.

Mary Ann Hills has recently completed an intensive course in real estate. She will have an initial orientation to the firm, after which she will be involved in general sales.

BENEVOLENT OFFICERS ELECTED

The Antioch Police Department elected new officers for the upcoming year, starting June 1, 1973.

Dispatcher, Garnet Cook, was elected Chairman. Meterman Fred Herdt was selected as

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

NEWCOMERS CLUB ACTIVITIES

Time is running out. Get your reservations in for the Progressive Dinner to be held Saturday, June 16, 1973. For information, call Nancy Mancuso, 395-6571, or Sally Channon, 395-6799. This promises to be a "fun-filled" affair and will really give each and every one of you attending an opportunity to meet your new neighbors and new friends in the Antioch area.

There will be an Arts and Crafts Workshop, Wednesday, June 13, 1973, at 9:30 a.m., at the home of Nancy Mancuso, 395-6571. Also, bridge will be held at the home of Nancy Mancuso, on Wednesday afternoon, June 13, 1973, at 12:30 p.m. (Sounds like Nancy will be busy) Nancy Mancuso is the new incoming President of the Newcomers Club and seems to have all the verve, zest and energy needed to make the Antioch Welcome Wagon Newcomers Club an organization that all newcomers in the area would be interested in joining. The new officers for the year

1973-1974 have told of entertaining programs to be held as well as plenty of social activities.

The next Arts and Crafts Work Shop will be held on June 27, 1973 and the place will be announced later. The next session of bridge will be held June 20, 1973 and time and place will also be announced later. However, if information is required for the Arts and Crafts, call Betty Baker, 395-3650 and for bridge information, Shirley Bunker, 395-1413.

The next monthly meeting of the Newcomers Club is to be held July 5, 1973 and is planned to be an outdoor meeting in the form of a picnic. Further details will be forthcoming. There will be an "Introductory Coffee" held July 2, 1973, just prior to the July monthly meeting. Watch for the announcement of place and time.

At the last monthly meeting held, June 6, 1973, several new members were welcomed into the Club and we are looking forward to receiving many, many more.

24 AREA STUDENTS QUALIFY FOR DEAN'S LIST

Dr. R. Ernest Dear, Dean of Instruction at the College of Lake County, announced that 378 students at the College qualified for the Dean's Honor List for the spring semester of the academic year 1972-73. Students from the Antioch, Lindenhurst area who were named to the Dean's List are: 4-0-Kathleen A. Wurster, 291 Ida

Avenue, Antioch; Linda Carter, RR2 Box 85, Antioch; Carl V. Knutsen, Rt. 2 Box 92, Antioch; Raymond M. Peterson, RR 1 Box 550, Antioch. 3-0-Barbara M. Sander, Rt. 2 Box 165, Antioch; Lynne Nowak, 506 Longview Drive, Antioch; Dawn E. Ellis, 1031 Laursen Court, Antioch; Christina Szuberla, 640 Phillips Circle, Antioch; Alan Bednar, 118 4th Avenue Route 5, Antioch; William W. Hagstrom, Rt. 4 Box 136B, Antioch; Richard E. Sorenson, Rt. 1 Box 820, Antioch; Randy P. Irish, Rt. 2 Box 187, Antioch; Brian D. Hallwas, 834 Highview Drive, Antioch; Edwin John Krupo, Rt. 3 Box 176, Antioch; Robert Cichon, Rt. 4 Box 28A, Antioch. 4-0-Gerald P. Callaghan, 531 Beck Road, Lindenhurst. 3-0 or better-Dorothy A. Schneider, 55 Longmeadow Dr. Lindenhurst; Patricia A. Mohar, 2006 Woodlane Dr., Lindenhurst; Cheryl A. Hough, 2410 Grand Ave., Lindenhurst; David Campbell, 2424 Grand Avenue, Lindenhurst; Patricia Louise Page, 2301 E. Valley Drive, Lindenhurst; Betty A. Young, 308 S. Beck Rd. Lindenhurst; Henry T. Weber, 312 Lake Shore Drive, Lindenhurst; Frank J. Toal, 415 Surrey Lane, Lindenhurst.

JENNIFER HUBER

SETS

WEDDING DATE

A July 14 wedding date has been set by Jennifer Ann Huber and William F. Rowe, Jr. Their engagement has been announced by parents of the bride to be Mr. and Mrs. Anton Huber of Antioch.

Mr. Rowe, who makes his home in Mount Prospect and works for Rowe Screw Machine Products, Inc., is the son of Mr. and Mrs. W.J. Rowe, Sr., of Mount Prospect.

The marriage service will be held in the Milburn Congregational Church, Milburn, Illinois.

JAYCETTES TO HOLD BAKE—SALE

This Saturday, June 16, 1973, the Antioch Jaycettes will be holding their first Bake-Sale. It will be held in the lobby of the State Bank of Antioch from 9:00 a.m. till 3:00 p.m. There will be many different varieties of desserts to choose from and some special Father's Day cakes for Sunday. The Jaycettes will be grateful for your support and hope to see you Saturday.

LOCAL MAN RECEIVES HIGHEST MOOSE DEGREE

Ronald S. Polson of Antioch Lodge No. 525 was awarded the highest and most coveted degree of the Loyal Order of Moose in a solemn ceremony held May 27 at Mooseheart, the famed Moose City of Children.

Polson, a member of the local Moose lodge for many years, was awarded the Pilgrim Degree of Merit for his outstanding service and continued devotion to the humanitarian programs of his fraternity.

Investiture of the Pilgrim Class sponsored by Director General Paul P. Schmitz was held in the House of God, unique children's Cathedral on the Mooseheart campus, under the leadership of Pilgrim Governor Gordon Jeffery and a staff of Past Supreme Governors.

The local Moose Pilgrim honoree was one of more than 210 Moose members from all parts of the United States and Canada to receive the degree. Distinction of the award is noted by the fact that only one of about every 5,000 Moose members receive the degree each year.

The ceremony took place during a busy day at Mooseheart. The Women of the Moose also conferred its highest degree, the College of Regents, on more than 850 qualifying past regents in the field house.

25TH WEDDING ANNIVERSARY OPEN HOUSE

The children of Mr. and Mrs. Oren Bullamore of Somers, Wisconsin (the former Sarah Perry) will hold an Open House and Dance on Sunday the 24th of June at Fox River Gardens (on Highway 50) from 5 p.m. till ??? to celebrate their 25th Wedding Anniversary. No invitations are being sent, but all relatives, friends, and neighbors are invited.

REV. STEPHEN WILLIAMS NEW PASTOR OF THE ANTIQUA UNITED METHODIST CHURCH

Rev. Stephen Williams, who is the former pastor of the United Methodist Church in Cherry Valley, has recently been assigned as pastor of the Antioch United Methodist Church.

Rev. Williams was born in Eau Claire, Wisconsin on November 1, 1939. He spent most of his childhood and received most of his schooling in Park Ridge, Illinois. He entered the ministry from the First United Methodist Church of Park Ridge, Illinois.

Married to Josephine (Jo) Hawkinson, of Galesburg, Illinois, Rev. Williams has two children Susie Elizabeth (11) and Mark Stephen (10). The only other member of their family is Edith, a basset hound.

Mrs. Williams is a school teacher, having received her B.A. degree from Cornell College. Rev. Williams graduated from Main Township High School in 1957 and from Cornell College, Mt. Vernon, Iowa with a B.A. degree in 1961. Continuing his education, he graduated from the Iliff School of Theology in Denver, Colorado receiving a B.D. and a Th.M.

Rev. Williams began his work in the ministry in 1961. He served as a student pastor in the Community Methodist Church

in Pavilion, Wyoming until 1963 and at the Lafayette Methodist Church in Lafayette, Colorado until 1965. Then he was appointed Associate Pastor of the First United Methodist Church in Galesburg, Illinois where he worked until 1967.

Ordained at the Central Illinois Conference on June 16th, 1966, he became the Associate Pastor of the Glenview United Methodist Church in Glenview, Illinois until 1969. His last assignment was at the Cherry Valley United Methodist Church in Cherry Valley, Illinois.

Rev. Williams will be taking over the ministry upon the retirement of Rev. Donald M. Cobb, who had been the pastor at the church for several years.

The new pastor will begin his work at the parish on the third Sunday of this month, June 17th.

PUBLIC NOTICE

Notice of Proposed Changes in
Schedules

To: Patrons of COMMONWEALTH EDISON COMPANY

Commonwealth Edison Company hereby gives notice to the Public that it has filed with the Illinois Commerce Commission on May 15, 1973 proposed changes in its rates, charges, classifications, rules and regulations for electric public utility service in all of the areas in the State of Illinois served by the Company except the areas in and around Lincoln and Albion.

Such changes involve and would effect a general rate increase, including increases in charges in the rates and riders for residential, commercial, industrial and governmental customers. Certain changes in terms and conditions of service and other provisions of the rate schedules are also being proposed.

A copy of the proposed changes in schedules may be inspected by any interested party at any business office of this Company.

All parties interested in this matter or who desire further information with respect to these changes may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois, 62706.

CONTRACT DOCUMENTS AND SPECIFICATIONS SECTION 1 ADVERTISEMENT FOR BIDS

1:01 PUBLIC NOTICE
Public Notice is hereby given that Sealed Proposals will be received by the Village of Antioch, Illinois, at the Village Office, 876 Main Street in Antioch, Illinois until 8:00 P.M. Daylight Saving Time on August 20, 1973 for the construction of a Wastewater Treatment Plant in accordance with Engineering Plans, Contract Documents and Specifications prepared by Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois.

1:02 DESCRIPTION OF WORK
In general, the project includes the installation of a Contact Stabilization Plant, Tertiary Filters, Chlorine Contact Tank, and sludge concentrating equipment installed in a proposed Blower and Sludge Concentrator Building. Also included is all electrical work, driveways, site grading and interconnecting piping to provide a complete operating installation.

Proposals will be publicly opened and read aloud immediately after the expiration of the time established above for receipt of Proposals.

1:03 DRAWINGS, SPECIFICATIONS AND CONTRACT DOCUMENTS

Drawings, Specifications and Contract Documents may be obtained upon application at the office of the Engineer, Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois, 60005, upon payment of a non-refundable charge of \$25.00 per set. The payment of this charge shall be in cash, or check drawn payable to Applied Engineering Company.

Drawings, Specifications and Contract Documents may be examined at the following locations:

Applied Engineering Company
1450 South New Wilke Road
Arlington Heights, Illinois 60005

Office of the Village Clerk
Antioch Village Hall
876 Main Street
Antioch, Illinois 60002

1:04 COMPLIANCE WITH FEDERAL AND STATE REGULATIONS

The Contractor shall comply with the regulations of the Secretary of Labor made pursuant to the Anti-Kickback Act of June 13, 1934, 40 U.S.C. 276 (C) and any amendments or modifications thereto, to cause appropriate provisions to be inserted in sub-contracts to insure compliance therewith by all sub-contractors subject thereto, and to be responsible for the submission of affidavits required for sub-contractors thereunder, except as the Secretary of Labor may specifically provide for reasonable limitations, variations, tolerances and exemptions from the requirement thereof.

The successful bidder shall be required to comply with stipulations and provisions of the Federal Water Pollution Control Act 33 U.S.C. 466 et seq.

1:05 METHOD OF COMPENSATION

The Contractor will be paid for this project as work progresses. First payment will be made when 25% complete, second payment when 50% complete, third payment when 75% complete, fourth payment when 100% complete up to 90% of the Contract. The final 10% will be paid after final inspection and audit by Illinois E.P.A.

The Contractor for this work will be paid from the combination of the proceeds of a revenue bond issue authorized by Village Ordinance dated April 26, 1972, and Federal and State grants approved for this project. The Contractor for this work will be paid from the proceeds of a revenue bond issue yet to be issued should the Village not receive any Federal and State grants for this project.

1:06 PROPOSAL GUARANTY

A certified or cashier's check drawn on any National or State bank, in a sum not less than five per cent (5%) of the amount bid, made payable to the Village of Antioch, Illinois, must accompany each bid as a guarantee that the Bidder will not withdraw from the competition for a period of at least sixty (60) days after opening the bids, and in the event the contract is awarded to the Bidder, he will, within twenty (20) days thereafter, enter into contract and furnish the required bond, failing which he shall forfeit deposit as liquidated damages.

No bidder may withdraw his bid and all bids must be firm bids for a period of sixty (60) days after the time set for the opening of bids.

1:07 OWNER'S RIGHTS
The Village of Antioch, Illinois reserves the right to waive any, if any, informalities in any bid and to reject any and all bids.

Robert Wilton

Interment will be in Hickory Union Cemetery near Antioch. Friends may call at the Funeral home after 7:00 p.m. Sunday. Memorials may be made to Hickory Chapel for mission work among the service men.

Christian Science

All through the Bible we read of God's protection. This will be brought out this Sunday in the Lesson-Sermon on "God the Preserver of Man" at Churches of Christ, Scientist.

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "Let us remember that the eternal law of right, though it can never annul the law which makes sin its own executioner, exempts man from all penalties but those due for wrong-doing. Constant toil, deprivations, exposures, and all untoward conditions, IF WITHOUT SIN, can be experienced without suffering. Whatever it is your duty to do, you can do without harm to yourself."

Services at First Church of Christ, Scientist, BEACON HILL, Route 173 & Harden, Antioch, Illinois begin at 11 a.m. The public is always invited.

"WHAT IS A 'SCIENTIFIC STATEMENT OF BEING'?"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

Funeral services will be held at 10:30 a.m. Tuesday at the Strang Funeral Home in Antioch. Interment will be in Hickory Union Cemetery. Friends may call after 3:00 p.m. Monday at Strang's.

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

Why do people gossip. Isn't it because they're lonely. But did you every stop to think of why they're lonely? Isn't it because they gossip?

People are afraid to become friends with someone who gossips. They're afraid that they will be next on the list. So the gossip as time goes on finds himself having fewer and fewer friends.

Unfortunately their friends usually don't have enough courage to tell them the real reason why they don't visit or socialize with the gossip anymore. The gossip then because the former friend has deserted them begins to gossip about that friend. It becomes a vicious circle for the poor gossip.

If we would only stop to think of the damage we do by the least unkind statement about an individual and would make a point to relay kind and positive remarks instead, we would find people willing and anxious to be our friend.

If we would concentrate on repeating the good points of other people we might find that we don't have time to be lonely because friends are dropping over or asking us out.

NEW CHAPLAIN APPOINTED AT ST. THERESE

Father Robert J. Fitzpatrick has been appointed as Associate Chaplain at St. Therese Hospital.

Father Fitzpatrick has spent the last nine years as Assistant Pastor at Immaculate Conception Parish in Waukegan.

Sister Maryann, administrator, indicates that Father Fitzpatrick is well-known and loved by the Waukegan Community. "I am sure," she said "that his parishioners will be happy to learn that Father will remain in the Waukegan area."

A reception introducing Father Fitzpatrick to the hospital staff was held Monday, June 4.

With a Stern Eye

Lake County Government Week has passed into the mists of time and hardly left a wrinkle. Like its theme: Lake County, the Taxpayer's Looking Glass—it has been eager to reflect only the best, but has in fact, shown us pretty much as we are.

In the County Clerk's office for instance, we have had a dozen election booth set up, a voting machine in each, and a crisp printed ballot booklet in each voting machine. The public has been invited to express itself on every imaginable subject. The first question: "Shall cats (as well as dogs) be required to undergo annual inoculation against rabies?" to "Shall Lake County government assume responsibility for solid waste disposal?"

Somewhere in the middle were the controversial "Shall the (six) County officers be appointed by the County Board or elected by the voters?" and a multiple choice question about the uses to which revenue sharing funds should be put. The scope was lively and invited participation. By the middle of the week, however, it became evident that an All Points Bulletin would have to go out if we were going to get more than a dozen voters. It went out—and by Thursday noon nearly 100 County employees had answered the summons. The public, that amorphous non-person, did not.

On Tuesday night a brief Forest Preserve meeting was held, followed by a session billed as an Open County Board meeting at which the public (again) could ask any and all questions that had been stored up. No one attended the Forest Preserve meeting but me and the Commissioners. The Commissioners passed new rules and the president appointed new committees and the meeting adjourned.

The open County Board meeting took up right where the Forest Preserve had left off—and the gallery began to fill. It turned out almost immediately that all the spectators were in some way connected with the program. There was the young lady who had created the taxpayer's looking glass theme; the gentlemen of the Board were audibly appreciative as she walked to the dais for her award. The winners of the poster and essay contests were recognized and their parents were appropriately proud. County Board member Janet Morrison got the floor to purr:

"I only want to point out that the winners are all from District 3."

"The judges were all from District 3," said the Chairman.

"You've got to have SOMETHING in District 3," said Mike Graham. The audience giggled uneasily.

Later when the Chairman

invited the Board members "and their husbands and children" to attend the open House to be held at Winchester House, no one winced. Only me. Why not "wives and children"? Or—oh well.

Sam Smith suggested that Stan Pekol might like to pass among the populace, selling his Democratic Steer Roast tickets; Bertha Ogrin in search of a signed-up list of Appreciation-Dinner guest asked where her "slip" was. Helen Amendola announced that there were free sandwiches in the other room—but no one was expected to load up for the trip home. Someone asked if they were the same sandwiches as those offered Tuesday night. All in all it was an evening to tickle the risibilities of the dourest taxpayer.

On Thursday, as the employees trooped down to our office to vote in the Advisory Referendum, a citified corral was being erected in the lobby. Hay and alfalfa were hauled in and before you could say 'Farmer McGregor', there were two sheep and a gaggle of geese filling the air of that rarified marble lobby with their grunts and their cackles and their bleats. The Forest Preserve had struck again!

Attendance by non-participants in the functions of the week, was sparse. Tho all offices were scrubbed and eager to show their wares, the public in general was not fascinated. We distributed our new brochure "Fax about Tax" and some of the revised Voter's pamphlets among the few who did come. Cub Scout Troop 179, for instance, left laden with all manner of reading material.

Frankly the biggest attraction of the week was the lobby zoo....

SELECTIVE SERVICE SYSTEM

Mr. Dean S. Sweet, Director of Selective Service for Illinois, is deeply concerned over the many violations of the Military Selective Service Act of 1971. In particular, he is concerned with those men who are, in increasing numbers, failing to register with the Selective Service System.

The Military Selective Service Act requires that men, upon attaining the age of 18 years, register on the anniversary of their date of birth or within the period of 60 days commencing 30 days before their 18th birthday. Those who register late may be reported to the United States Attorney for possible prosecution.

Mr. Sweet further stated that he believes that the majority of

the violations have occurred due to the misunderstandings that have arisen since the end of the war in Vietnam and the many announcements that no further induction calls would be issued. "The elimination of induction calls has in no way affected a young man's responsibility to register with the Selective Service System," he said, and encouraged all men to register on time to avoid future legal problems.

Registration may be accomplished at the Selective Service Local Board Office located at 213 Water Street, Waukegan, Ill. between 8:00 a.m. to 4:15 p.m. Monday thru Friday. Please bring with you a copy of your Birth Certificate at the time of Registration.

UNITED WAY OF LAKE COUNTY SEEKS VOLUNTEERS

What does a volunteer engaged in day care home licensing do? She assists with the responsibility for determining relicensing of day care homes, by making home visits, writing reports, and is involved in group intakes for day care mothers. She works both in the office and in the field either one full day or two half days per week.

The only requirements for a day care home licensing aide is to be of good character and have experience with children, either through the role as a mother or having worked with groups of young children.

Be a "people to people", call the office of the United Way of Lake County at 662-3580. The Volunteer Service Bureau will discuss the kind of job desired, interest, and available time. This information will assist in the selection of a satisfactory assignment. Over sixty-four Lake County agencies need volunteers. Volunteers are asked to join the Volunteer Service Bureau in their concern to assist the people of Lake County.

SECOND QUARTER TAX ESTIMATE DUE SOON

Many taxpayers may unknowingly be in trouble with Uncle Sam for failing to file an estimated tax declaration for 1973 at the time of filing their 1972 Tax Return. And, the June 15th deadline for paying the second installment on this, or originating an estimated tax declaration, is sneaking up fast.

Also, there may be taxpayers who will not be required to pay estimated tax although they were required to in past years. The Revenue Act of 1971 changed many of the ground rules.

Now, a declaration of estimated tax will be required only if the taxpayer has more than \$500 in income which was not subject to withholding and his estimated tax liability is more than

\$100. Prior rules required the filing of an estimate if the taxpayer had \$200 from other than wage income and his estimated tax was more than \$40. Even though all income is from wages, if wage income is \$20,000 or more (for single taxpayers, those qualifying for a head of household status, surviving widow or widower, and married taxpayers with only one spouse working) and the estimated tax liability is \$100 or more, they should still file an estimated tax declaration. And, the same would be true for married couples when both are employed, if one has wages in excess of \$10,000—if the estimated tax is \$100 or more. If married and not entitled to file a joint return, the amount is

\$5,000, with the same \$100 or more required in estimated tax.

If taxpayers have at least 80 percent of their final tax liability on deposit—either through withholding or estimated payments—there is no penalty involved. But the taxpayer that wants to play safe and avoid a penalty for underpayment should definitely check the new law.

AMERICAN AIR SHOW THIS IS THE WEEK

The big week has arrived for the sports enthusiasts of Burlington (Wis.) and their many guests, as the third annual All-American Air Show will be held Saturday and Sunday, June 16 and 17, at Burlington Municipal Airport.

Gates open at 10:30 a.m. so inspections of military hardware and planes and hundreds of other fly-ins can be enjoyed. Then, at 1 p.m. the big show begins with such thrilling acts as a vehicle to plane transfer, a flame pass through, a mock "dog fight," wing walking, a fire wall crash, precision aero-

batics, and many other chills and spills not seen in local air shows before.

There is plenty of free parking, refreshments and facilities for outdoor fun. Admission prices are nominal.

Top international names of the air age will be on hand to sign autographs and talk airplanes in between their assignments.

The show is the only one scheduled for southeastern Wisconsin and northern Illinois this year.

Burlington is 10 minutes from Lake Geneva.

CHICAGO TRIBUNE

LITTLE LEAGUE HIGHLIGHTS

AMERICAN DIVISION

The Tigers have hit 7 home runs to lead the league. Dave and Jim Gutowski have each hit 2. Dave Gutowski has a 3-0 pitching record.

Scott Leland has the pitching star for the Astros so far with Scott Gallagher doing some timely hitting.

Mickey Wencka is pacing the Dodgers in pitching and last Friday hit 3 consecutive homers against the Astros in a losing cause.

Pat Sikorski has pitched both of the Yankee wins and along with Charlie Bogarts, leads the Yankees in hitting.

NATIONAL DIVISION

Neal Lulofs has a 3-0 pitching record and Wally Nowakowski is hitting well for the Cubs.

After a slow start the Cardinals are back on track with Mat Brophy pitching a 2 hitter and hitting a grand slam against the Cubs. Pete Weber has contributed some timely hitting.

The Orioles went 3 extra innings last week to edge the Cubs 8-7 in 9 innings. The battery of Mike Lischewski and Danny Larson has sparked the team. Slugger Rich Zeman is sidelined for a couple of weeks with a foot injury.

Scott Schroeder has pitched the lone Giant victory and lost a heartbreaker, 3-2, to the Dodgers.

LEGION BALL BEGINS

Antioch vs Gurnee

On June 6, the Antioch Legion Ball Team started the season off right by beating Gurnee on a no-hitter by Fred Popp. Great plays especially by Tim Mieure at shortstop, robbed Gurnee of base hits.

In the first two innings Antioch got men as far as third base but could not bring them in. Only three men were sent to the plate in both the third and fourth innings. They finally got things rolling in the fifth. Judd Smith walked to lead off the inning and thanks to an error by the second baseman, put him on third and the batter, Scott Vazquez, on second. Two outs later Fred Popp got his second hit of the game, a single to left field, and drove in Smith and Vazquez.

Popp faced only 24 batters, 3 more than the minimum of 21. Five men reached base, two of which made it on errors, two on walks and one on a fielder's choice. No player made it past first base, and no more than four players came to bat in one inning. After the game, the exuberant Fred Popp could only say he felt great, but afterwards he commented, "My arm felt good - I had good control. I made the batters swing at the pitches I wanted them to. The players played great defense behind me."

Jim Fischer

Antioch vs Round Lake On June 8, Antioch won its second game by beating Round Lake 8-2. The pitcher, Tom Underhill, had some control problems but they didn't amount to much.

Antioch got their first run in the second inning when Frank Pleviak reached first base on an error by the third baseman, advanced to third on singles by Mike Gutowski and Tom Underhill, and scored on Scott

Little League season is about half-completed already. This week's game-action photo shows the Astros' Mark Turner starting his slide into third, only to be caught from behind by Danny O'Brien of the Dodgers. And who says pitchers can't hit? Dodger pitcher Micky Wencka lets loose (below left) with his third home run, to the amazement of other players, in the game against the Astros. In pitching (lower right) he struck out quite a few players, but not enough to carry his team to victory. (Staff Photo)

Vazquez's fly to center field.

The next inning Antioch broke the game open. Fred Popp started the inning with a single and moved to second base on Mark Maras' walk. A single by Mike Gutowski drove in Popp, and a walk to Steve Vazquez loaded the bases. Underhill's single drove in Maras and Gutowski, and an error by the shortstop drove in Vazquez and Underhill.

In the fourth inning, Fred Popp again led off with a single, and scored on another single by Mark Maras.

Antioch scored its last two runs in the seventh inning. Mike Gutowski went to first base on a drop third strike and scored on Tom Underhill's double.

Jim Fischer

Antioch vs Lake Villa On June 10, Antioch's bubble burst by losing to Lake Villa in one of their worst - and longest - games ever by a score of 15-3. It was poor control - 13 walks - which led to the upset.

Antioch did take the lead in the first inning when Rick Sedar led off the game with a single and advanced to second on Tim Mieure's walk after Frank Pleviak got an infield hit to load the bases. Steve Vazquez singled to left to score Sedar and Mieure.

In the seventh inning, Rick Sedar doubled to right and advanced to third on Tim Mieure's fly ball to left. Fred Popp walked to put men on first and third, and the delayed steal was then executed. Popp made it to second and Sedar scored.

Tim Mieure again made great plays at shortstop, and Rick Sedar and Steve Vazquez went 2

for 4 and 2 for 3 respectively. Besides that, everything was a total disaster.

MOULIS WINS WILMOT OPENER

A standing room only crowd saw Jim Moulis, Antioch, win the opening night 30 lap feature race at the New Kenosha County Speedway for IRA super modifieds. Moulis led every lap with pole starter Bay Darnell, Deerfield, regaining second spot from Carl Schultz, Pewaukee. Just five laps from the finish, Carmen Menzardo, Antioch, was fourth and then it was Aaron Solrud, Menomonee Falls; Roger Otto, Burlington, Johnny Reimer, Caladonia; Roger Iles, Waukegan and Ron Bergsma, Richmond, rounding out the top ten.

The standing room only sign went up before the first heat race. Grandstands moved from the old track site were not all erected and it took the 4343 fans only a short time to overflow those stands that were ready in the dash to finally get the new track opening race run off. Dust was also a problem and IRA starter Roger Cox red flagged the semi feature race and ordered water applied before the race continued with Johnny Olson, Round Lake in the lead. He later had to pull out and Bill Bohn Bristol, took over but was passed by Whitey Harris, Lake

Villa for the win.

Joe Fote, Milwaukee, flipped end over end four times on the main straightaway on the restart but was not injured. Ten lap heat races were won by Pop Kline, Genoa City, Fote; Dick Dustin, Greenfield, and Roger Otto.

Pop Kline, got the honor for the first win on the new track and carried the new IRA star checkered flag for the first time. Track records were established by Johnny Reimer at 18.12 seconds for the super modifieds and by Ron Fryer, Milwaukee for the sportsman stock cars at 20.75.

Fryer finished second in the Sportsman feature for 15 laps won by Ray Dobbs, West Allis. Art Beilke was third and then it was Danny Brown, McHenry, and Dale Erdman, Caladonia, Sid Norton, McHenry, Brown and Dobbs won the heats.

The opening night purse was \$3945.00 and earned Moulis nearly three hundred dollars for his first feature victory. He was a rookie driver in 1972 but set fast time on several occasions and his efforts had always been better on the IRA asphalt circuit tracks until tonight.

JUNE 9 & 10 LAKE GENEVA RACEWAY

Ted Wallace, Edgerton Sportsman stock car driver won his first feature race of the season Saturday night at the Lake Geneva Raceway. He took the lead from Bob Peterson, Lake Geneva on the 8th lap and sailed safely to his first win at great speed over Larry Hicks, Lake Geneva. Peterson left track on the 21st lap and earned only 13th position. However, that was better than point leader Jerry Straube, Waterford did, who wound up as the winner of the semifeature race. The second place finish by Hicks boosted him into the Sportsman stock point standings over Straube who had led since racing started at the Lake Geneva in April of this season.

Ken Heinze, Twin Lakes finished third in the feature and

then it was Dale Brandenburg, Janesville and Gordy Mudluff, Lake Mills. Ten lap heat races were won by Heinze, Brandenburg and Wallace.

The Jr. Sportsman feature race ran just as smoothly for Sam Grubb, Burlington who won over Dale Bakken, Beloit and Fran Presta, Silver Lake. Paul Prankratz, Delevan, Grubb and Bakken were heat race winners.

Tom Hack, Burlington was the P.J. Stock-car heat race winner and the Trophy Feature win went to Harry Smith.

On Sunday night, the IRA super modifieds and sportsman stock cars raced and it was Whitey Harris, Lake Villa taking the lead on the 27th lap of the 30 lap feature from Ken Monroe, Pell Lake. Monroes

lead was already in trouble when the black flag failed to get Carl Schultz, Pewaukee into the pits to extinguish flames coming out the back of his car and so the red flag came out stopping the race and it was Harris in front one lap after the restart. Monroe was second at the end followed by Roger Otto, Roger Iles and Ron Bergsma. Heat race winners were Bill Bohn, Bristol; Larry Nimmerman, Milwaukee; Bay Darnell, Deerfield and Schultz. Bohn was leading the 15 lap semi-feature race when a slower car cut in front of him causing him to crash off the track with the car and the action also took out the second place car driven by Bill Kline of Burlington.

Pop Kline, Genoa City won the restarted semi-feature over Dick Heinz, Wheeling and Bill Kelly, McHenry. The Sportsman feature race was won by Gordy Mudluff over Sid Norton, McHenry and Roy Redinus, Whitewater. Heat races were won by Charles Ostergard, Kenosha and Redinus.

Harris now leads Lake Geneva point standings for the super modifieds and Fran Presta leads the Jr. Sportsman point standings.

whistled up on Roper's back bumper by the 10th lap and nearly took the lead in the 16th circuit, before overheating and dropping back to third. Hoffman grabbed second in the 30th and final lap with Kleich fourth and Lee Schuler fifth.

Roper averaged :14.39 seconds per lap in the main taking the lead from Hoffman in the 11th lap. Tom Musgrave of Mundelein and Dave Evans of Crystal Lake led in the early stages.

Roper set fast time in a record :14.16 to serve notice on his competitors, then proceeded to edge Hoffman in the dash for a new record and then passed Musgrave in the final lap to gather in yet another record in the 10-lap fast heat race.

Jerry Vance of Chicago had his Chevelle erupt in flames during the first heat and missed the main event. Two drivers rolled over in an exhibition and two have announced they will flip together next Sunday.

CLAVEY WINS FEATURE RACE SATURDAY

Lou Clavey of Deerfield inherited the Saturday late model 'sportsman' feature race win at the Waukegan Speedway when leaders George Dukas of Zion and J.P. Gatti of Wheeling collided and spun out in the final lap.

The largest crowd of the season were on their feet as Dukas and Gatti swapped the lead spot in the final three laps before the two bumped going into the third turn on the very last lap and both spun wildly. Clavey, running in third spot nearly a quarter lap behind eased through for his second feature win of the year, having taken an earlier 'super stock' main.

Abel Avila of Wauconda finished second in the main with Ted Richter of Libertyville third before Gatti recovered for fourth money. Bill McDonald of Crystal Lake was fifth followed by Floyd Burdick of Racine, Dukas and Roger Hake of Waukegan.

Clavey led the first lap of the feature before Dukas powered in front with Gatti in second by the 6th lap. In the 17th lap Gatti ended up in the infield after a lapped car temporarily slowed the leader.

With two laps to go Gatti stole the lead, but Dukas was back in front at the white flag. Earlier Gatti had set fast time at :15.26 and had won both the dash and the fast heat looking for a clean sweep.

The first 'sportsman' heat saw 14 cars start with five finishing following four red flags. Dave Horst of Gurnee won that race with Clavey winning the other 'sportsman' heat.

Don Smith of Lindenhurst, Jack Hemmings of North Chicago, and John MacFayden of Wildwood were winners in the hobby class which attracted the

largest field of the year.

Racing next weekend at the Waukegan track starts at 8:00 p.m. sharp with late model 'sportsman' races on Saturday night and late model 'super stock' races on Sunday.

MILTON'S SPRING SPORTS ATHLETES LETTER AWARD

Milton College athletic director Dick Deasy has announced the awarding of 28 letters to spring sports athletes.

The baseball team had 19 varsity lettermen. The Tennis and the Golf team each had four lettermen.

Among the Golf lettermen was Jim Weiss of Antioch, Illinois.

ROPER CLEANS HOUSE AT WAUKEGAN SPEEDWAY

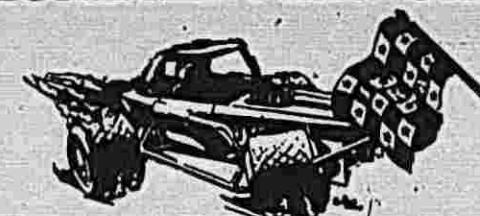

Bob Roper cleaned house at the Waukegan Speedway Sunday night in the late model 'super stock' class in spectacular fashion shattering the 1-lap, 6-lap, 10-lap and 30-lap records in the process. The Chicago driver piloted a 1972 Chevelle.

The feature required two restarts, the latter involving six cars on the backstretch. Dennis Johnson of Arlington Heights spun in the second lap with Zion's George Dukas leaping completely over Johnson's Torino and almost flipping end-for-end.

Dukas was treated and released from St. Therese Hospital for torn wrist ligaments; the other drivers escaped injury. Ed Hoffman of Niles, Larry Schuler of Lockport, Lee Schuler of Lockport and Rich Kleich of Chicago also piled into Johnson in the season's worst accident. Racing was delayed a half hour with the event being completely restarted after repairs.

Tom Jones of Northbrook made his debut in his new Meisterbrau Camaro and
